Dear Parents,

With a vision to foster the holistic development of every child, we are pleased to introduce Saturday Enrichment Activity Classes — specially designed sessions that go beyond textbooks and classrooms.

These engaging sessions are crafted to:

- Spark creativity and unlock self-expression
- Strengthen confidence through hands-on learning.
- Sharpen critical thinking in a playful, stress-free space.
- Help each child discover and nurture their unique talents.

We believe learning is most powerful when it's joyful. These classes will give our students a vibrant platform to explore, create, and grow. We strongly encourage you to enrol your child in these enriching sessions, as they are an important step towards building well-rounded, future-ready individuals.

Let's join hands to make learning a celebration!
