Dear Parents,

Participation Request: Career Counselling Need Analysis Survey for School Parents of Std VIII to X

We are committed to supporting every child in selecting a fulfilling and suitable career path. To better understand the perspectives and needs of our parent community in this regard, the school is conducting a Career Counselling Need Analysis Survey designed specifically for parents of Std VIII to X.

Purpose of the Survey:

The purpose of this confidential survey is to gather your insights, expectations, and concerns related to your child's career planning, higher education, and guidance received at school. Your inputs will help us design and improve our career counselling initiatives, resources, and parent engagement programs.

How You Can Participate:

- Click on following link using authentic email address: <https://forms.gle/kgxyPsyPuUXasnuq9>
- It consists of multiple-choice and short-answer questions about your awareness of career choices, concerns, and preferred support mechanisms.
- Completing the survey will take approximately 10–15 minutes.

Why Your Feedback Matters:

- Assess and bridge gaps in career awareness for families
- Plan parent workshops and resources tailored to your needs
- Ensure students receive relevant guidance for a changing world

We strongly encourage all parents to participate, it is an important step towards empowering students to make informed choices for a successful future. All responses will be confidential.

Thank you for your continual support and partnership.

With regards,
