URGENT: Health Advisory

Dear Parents,

To ensure the health and well-being of all students, we kindly request that you do not send your child to school if they are suffering from Hand, Foot, and Mouth Disease (HFMD).

Symptoms to watch for:

- Fever
- Mouth sores
- Rash on hands and feet
- Sore throat
- Vomiting

Precautions:

- Keep your child home for at least 5 days after onset of symptoms.
- Maintain good hygiene practices (handwashing, disinfection).
- Encourage frequent handwashing.
- Avoid close contact with others.
- Clean and disinfect toys and surfaces regularly.
- Monitor your child's health closely.

Why-?

HFMD is **Highly contagious** and **Can spread quickly** within the school community. By keeping your child home, you help prevent the spread of the disease.

Cooperation:

We appreciate your cooperation in maintaining a healthy environment for all students. If your child is diagnosed with HFMD, please notify the school immediately.

With Regards

Sd/-

Principal
