Dear Parents/Guardians,

As part of our ongoing efforts to ensure the safety and security of our students, please be informed that it will be mandatory for parents/guardians to present their valid ID card (2024 -25) when collecting their child from school.

Please ensure that you carry your ID card with you when coming to collect your child. We appreciate your cooperation and understanding in this matter.

Thank you for your continued support.

Regards,

Suman Pradhan

Principal
