## Report on Father's Day (2023-24)

### **CELEBRATE THE HERO CALLED FATHER**

Father's day was celebrated on 19<sup>th</sup> June 2023 by the students of Std I & Std II. The father's Day activity was conducted under the guidance of our beloved principal Ms. Suman Pradhan with an aim to give opportunity to the students to dress up as per their father's occupation and to honour the importance of father in a family by speaking few sentences , showing their love and gratitude towards their father.

#### **Std I & II:**

**Dress up as per their father's occupation and speak few sentences about him.**

This activity gave an opportunity to the student to dress up as their father's occupation and speak few lines about his role and importance in the family. They also expressed their respect and love towards their father.

The father's day activity was a success as it gave opportunity to the students to express their feelings in their own words and dressing up as per their father's occupation was also the part of the activity, which they enjoyed the most.

**HAPPY FATHER'S DAY**
