Important Announcement regarding CBSE & Ministry of Education Career Guidance Resources **(Tamanna Aptitude Test, My Career Advisor App & Career Handbooks)**

Dear Parents and Students,

In alignment with the National Education Policy (NEP) 2020, our school is committed to supporting students in making informed decisions about their academic and professional futures beyond traditional career paths.

Following the recent webinar hosted by the **Central Board of Secondary Education (CBSE)** and the **Ministry of Education**, we are pleased to share key career guidance initiatives designed to help students discover their natural strengths, interests, and potential career paths.

Key Initiatives & Guidance Tools Introduced

1. Tamanna Aptitude Test (For Classes IX & X)

- **Overview:** A free, scientifically standardized aptitude test developed by NCERT and piloted by CBSE.
- **Focus:** Evaluates **7 key aptitude dimensions**, including language skills, abstract reasoning, and mechanical ability.
- **Purpose:** Helps students in Classes 9 and 10 identify their unique strengths and choose appropriate academic streams for Senior Secondary education.
- **Link for Tamanna Aptitude Test :** <https://share.google/9CIB369DVXSqbcWzI>

2. My Career Advisor App ("Digital Career Counselor")

- **Overview:** An AI-driven digital career platform featuring psychometric assessments.
- **Focus:** Includes a specialized "**passion mapping**" tool and comprehensive profiles on various job roles.
- **Purpose:** Maps student interests, passions, and aptitudes to real-world career opportunities and emerging fields.
- **Link of My Career Advisor:** <https://play.google.com/store/apps/details?id=com.wadhwani.career>

3. CBSE Career Guidance Handbooks & Career Cards

- **Overview:** Developed by Prof. V.S. Mehrotra (PSSCIVE), comprising **500 career cards** across two volumes.
- **Focus:** Detailed information regarding job responsibilities, entry requirements, and educational pathways for 500 distinct professions.

Role of School & Parents

While these assessment tools and platforms provide scientific guidance, **the ultimate choice of career path rests with the student**. We encourage parents to explore these tools alongside their children to foster an open, supportive dialogue about future possibilities.

Our school will be organizing orientation sessions and utilizing these frameworks during upcoming guidance workshops. Further details and access links will be shared via the student portal shortly.

For any queries, please reach out to the School Website.

With Regards
