

I. Read and learn the poem-

II. Quote from the memory-

Be careful.....the zoo.

Be careful what
You say or do
When you visit the animals
At the zoo.

**Don't make..... noble
bump.**

Don't make fun
Of the camel's hump
He's very proud
Of his noble bump.

Don't laugh.....or me.

Don't laugh too much
At the chimpanzee-
He thinks he's as wise
As you or me.

And the.....you make.

And the penguins
Strutting round the lake
Can understand
Remarks you make.

Treat them.....the zoo.

Treat them as well
As they do you
And you'll always be welcome
At the zoo.
