URGENT CIRCULAR: Mandatory Biometric Updation (MBU) of Students' Aadhaar Card.

Dear Parents,

As per the mandatory instructions from the School Education Department, Government of Maharashtra, it is imperative to complete the Biometric Update (Mandatory Biometric Update - MBU) of your child's Aadhaar Card.

Why is MBU Necessary?

- ❖ **Government Mandate:** Biometric Updation (MBU) is compulsory for all students between the ages of 5 to 18 years.
- ❖ **Access to Benefits:** Government schemes and benefits are directly linked to the updated Aadhaar. Failure to update may lead to obstacles in availing these benefits in the future.
- ❖ **Competitive Exams:** UIDAI has clarified that an immediate biometric update is necessary to prevent students from facing issues during registration for JEE, NEET, CUET, and other competitive examinations.

As per the directives of the Maharashtra Government's School Education Department and UIDAI (Aadhaar Authority), we have organized a special camp in the school for your convenience:

Details are as follows:

Date : Saturday, 08/11/2025

Timings : 10:00 a.m. to 5:00 p.m.

Venue : Ground Floor room

Required : The child's Aadhaar Card (for reference)

Entry : Gate No. 3 only

Attendance : Parents must accompany the child.

A list of students whose Biometric Updation is pending, as per the UDISE Portal, is shared herewith.

The government has fixed a strict period of 100 days for this work, and its timely completion is mandatory. We urge all parents to cooperate in this important task and complete your child's Aadhaar Biometric Updation immediately.

Your prompt cooperation is expected.
