DAVA/2024-25/CIR 039

Date: - 30/09/2024

Dear Parents,

Please note that STEM Lab is a place where students will get the experience of performing hands on activities and build their conceptual understanding about different topics they studied in their text book of Science and Mathematics.

STEM education focuses on developing critical skills such as problem-solving, critical thinking, creativity, and collaboration. Through STEM labs, students are not just memorizing information; they are actively engaging in the process of inquiry and discovery.

Please submit duly signed Consent Letter on or before 3<sup>rd</sup> **October 2024** to the respective class teacher & pay Rs.3000/- or pay the difference if full amount not paid earlier at the fee counter (if not paid till date).

Thanks for your continued co-operation.

With regards,

Sd/-  
Principal
