Dear Parents,

Please note that English Language Lab is a digital language learning platform that provides students with an immersive learning experience. The platform combines audio, video, and interactive exercises to help students learn English in a fun and engaging way. The use of the English Language Lab can be particularly beneficial for students who are not exposed to English language learning in their homes or communities. With the help of the language lab, students can improve their listening, speaking, reading, and writing skills in English.

The NEP recommends the use of technology-enabled language labs in schools and colleges to support the teaching and learning of English. The use of the English Language Lab can be a game-changer in this regard, as it can help bridge the language learning gap that exists in India. With the help of the language lab, students can learn English at their own pace and in a way that suits their individual learning styles

Please submit duly signed Consent Letter on or before 3rd **October 2024** to the respective class teacher & pay Rs.3000/- or pay the difference if full amount not paid earlier at the fee counter (if not paid till date).

Thanks for your continued co-operation.

With regards,

Sd/-
Principal
