**Date: 10/07/2024**

Dear Parents

This is to inform you that we are in receipt of a letter from the Education department, NMMC dated 12<sup>th</sup> June 2024 referring the Maharashtra Gazette Part IV (RNI No. MAHBIL/2009/31733 Reg. No MH/MR/South-322/2010-12) rules and regulations regarding transportation used for the school students.

We have already communicated several times, once again it is reminded that the safety of the school students while travelling in the school buses/Private Vans is of utmost importance. The presence of the female attendant is mandatory requirement for the safety and security of the school students especially girl students. Private Van owners are not following these guidelines. They fail to follow essential safety rules and regulations, such as availability of First Aid kit, Fire Extinguisher, Mobile GPS App. system, Speed governor and Fitness Certificate etc.

You are kindly requested to use the school transport or either drop your wards on your own. Your alertness will greatly contribute to the safety and security of our students and help prevent any untoward incidents.

**Yours sincerely**
