

D.A.V PUBLIC SCHOOL AIROLI

Community Service Report 2024

"Well-being starts with us."

As part of our annual program, the Mediker Hair Hygiene Program was conducted in our school in association with Marico India Limited (team Mediker) to educate students about lice and empower them to take charge of their personal hygiene. This program aimed to address the prevalent issue of head lice in school, spreading awareness about its causes and symptoms, and providing students with the knowledge and skills to prevent infestations and effectively treat lice if they occur. Inspired by this program, our school donated over 400 shampoo sachets to "Prem Dan," a charitable trust in Airoli, under the guidance of our Principal, Mrs. Suman Pradhan, on 4th November 2024 to help our community.
