Dear Parents,

In light of the prevailing high temperatures and to ensure the well-being of our students, the school has decided to commence the summer holidays earlier than scheduled.

The summer holidays will begin from Saturday, 26th April 2025 for the classes Nursery to Std V.

We advise all students to take necessary precautions during the heatwave and stay hydrated. Further updates regarding holiday assignments (if any) will be communicated through Whatsapp class group.

Wishing you a safe and pleasant summer break.

Warm regards
