DAVA/2025-26 /CIR 127

Date: - 20/01/2026

Dear Parents,

A soulful Havan and Rishi Langar will be organized by DAV Public School, Airoli, to commemorate the 202nd birth anniversary of Maharishi Dayanand Saraswati, we shall be organizing 'Havan' followed by Rishi Langar on 6th February 2026 during regular school hours.

In order to promote our rich cultural heritage and to instill values such as simplicity, sharing, cooperation, and respect for food among students, **DAV Public School, Airoli** will be celebrating **Rishi Langar** on 6th February 2026 for the students of std IV & V.

Rishi Langar is traditionally observed to commemorate the spirit of sages (Rishis) who lived simple lives and prepared food using natural, seasonal ingredients. The event emphasizes the importance of community living, self-reliance, and respect for food.

As part of this celebration, students are requested to **bring groceries** for the preparation of the Langar meal. The details of the items to be brought will be informed by the respective class teachers.

The meal prepared from these contributions will be **served to the students**, under the supervision of teachers, following proper hygiene and safety measures.

We seek your cooperation in making this meaningful activity a success and in helping students understand the cultural and moral significance of this tradition.

Thank you for your continued support.

With regards,

Sd/-

Suman Pradhan
Principal
