

# DAV PUBLIC SCHOOL, AIROLI

PLOT NO. 11, SECT. 10, NAVI MUMBAI

## Museum on Wheels Exhibition

DAV Public School Airoli, took the initiative to organize an exhibition titled "Museum on Wheels" as part of its educational extension program. This exhibition was thoughtfully curated with themes closely aligned with the school curriculum drawing on the rich collection of antiquities from the Chhatrapati Shivaji Maharaj Vastu Sangrahalaya (CSMVS) Museum. These mobile exhibitions are designed to visit various educational and cultural institutions to foster deeper and broader engagement with India's heritage art and science.

Students from Jr. KG to Std. XII had the unique opportunity to explore this mobile museum and gain valuable knowledge. The exhibition included sculptures of popular gods and goddesses and other artifacts. The trained personnel demonstrated how printing was done in ancient times showcasing traditional techniques that fascinated the students. They thoroughly enjoyed observing this glimpse into historical printing methods allowing students to connect with historical and cultural elements in an interactive way. Trained persons provided detailed explanations guiding the students through the displays and demonstrating various aspects of ancient life. The students were enthusiastic and excited finding the experience both educational and enjoyable.
