## EARTH DAY ACTIVITY)

Dear Parents,

CLASS	NAME OF THE ACTIVITY	PROCEDURE	MATERIAL REQUIRED
Nursery	Palm Printing	Children will do palm printing on paper using green watercolours to represent leaves and trees.	Materials will be provided by school. <b>Objectives:-</b> Develops fine motor skills, sensory awareness, and connection with nature.
Jr. Kg.	Magic Painting	Students will make a card and paint it using green colour to depict nature and greenery.	Materials will be provided by school. <b>Objectives:-</b> Enhances creativity, colour recognition, and understanding of Earth Day.
Sr. Kg.	Stick Puppet	Students will colour and decorate stick puppets based on Earth Day themes such as trees, Earth etc.	One candy stick and fevicol. <b>Objectives:</b> - Builds self-expression, oral language as children speak through puppets, and environmental values.
Std I & II	Green Pataka Making	Students will write one Earth Day slogan on the leaf.	Students will bring a green, leaf-shaped cut-out of 6 X 6 inches (Indian green TK sheet) from home and Black Sketch Pen. <b>Objectives:</b> Develops awareness of environmental slogan , writing skills and creativity.

All activities are experiential, art-integrated, and promote holistic development through play. Focus is on “learning by doing” without writing stress.

Regards,  
Sd/-
