Dear Students,

Subject: Career Counselling Need Analysis Survey – For Students of Std VIII - X

Our school is dedicated to helping each of you discover your strengths, understand your interests, and explore rewarding career paths. As part of this effort, we are launching a Career Counselling Need Analysis Survey for all students of Std VIII- X.

Why the Survey?

This survey is designed to better understand your experience, awareness, and challenges in making career decisions. Your honest feedback will help us:

- Understand what guidance you need.
- Organize engaging career sessions, workshops, and fairs.
- Provide resources that match your interests and future aspirations.

How to Participate:

- Click on the following link using authentic email address: <https://forms.gle/HHtwhPukSQDBjdxB8>
- It includes simple questions about your career interests, awareness of options, and what kind of support you would value.
- It should take around 10–15 minutes to complete.

Your Voice is Important

Your responses will directly shape future career counselling activities, making them more relevant and helpful for you and your peers. We urge each student to participate sincerely and share your thoughts.

Let's work together to create a brighter future!

Best Wishes
