Report on Environment Day 2023-24

Small Steps. Big Impact. Go Green Today

Environment Day was celebrated on 14th June'23 for the students of Std III to Std V and on 16th June'23 for the students of Std I and Std II under the guidance of our beloved principal Ms. Suman Pradhan with an aim 'Let's Unite to Save the Environment!' under the theme "**Beat plastic pollution.**"

Various Activities were conducted. These activities aimed at raising awareness about environmental protection. One should plant more and more trees instead of cutting trees.

Std I: Nature walk

This activity helped the students to observe and enjoy the nature and greenery. They got an opportunity to have an outdoor experience to admire the nature.

Std II : Bookmark making

The students were encouraged to use their creative skills to make a bookmark related to the environmental conservation. The activity helped them to learn about the different aspects related to the environment.

Std III: Graffiti Wall on Pollution

This activity helped the students to be aware that Pollution is gas, smell and smoke that negatively affect to human health, animal, vegetable and environment. We can save the earth by saving trees, natural vegetation, water, natural resources, electricity, etc.

Std IV: Placards Making on Environment

The students were encouraged to depict pictures using their creative skills to make the surroundings cleaner and greener for the current as well as future generations.

Std V: Butterfly Feeder

This activity helped the students to be aware that it is an aid for conserving the wild butterfly population and to maintain the biodiversity in natural ecosystems.

The Environment Day Celebration was a success as it allowed individuals to explore environmental issues, engage in problem solving, and take action to improve the environment.

"Think Green, Act Green, Live Green."
